Dan: Oh, jeebus.
me: and he's the finance chairman at that
Dan: Yeah, I'm well aware of that.
Dan: What I can't understand is how the CBC can be just falling apart like this. Did it get out of control just recently, or is it finally all right to investigate them?
me: CBC?
Dan: Congressional Black Caucus.
me: ah, yes
me: I don't think political correctness was the reason for them not having been investigated before now
me: there's a long history of black office holders being investigated
Dan: It's pretty sad.
me: I guess
